Young's Literal Translation is a translation of the Bible into English, published in 1862. The translation was made by Robert Young, compiler of *Young's Analytical Concordance to the Bible* and *Concise Critical Comments on the New Testament*. Young produced a "Revised Version" of the translation in 1887. After he died on October 14, 1888, the publisher in 1898 released a new Revised Edition. (Summary from Wikipedia)
